**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have recently changed my internet service provider from Comcast to Sonic--migrating from a cable-based connection to fiber optic. This has for me resulted in connection speeds up to 20 times faster, at half the monthly cost. Reliability of my connection has been near-perfect, and customer service has been outstanding.

I hope the FCC will take no steps to constrain broadband competition!

Thank you
